

COVID-19: Please Respect Personal Space Preferences

Given the ongoing uncertainty and rapidly evolving global health situation surrounding COVID-19, the Stephens Funeral Home Family promises to take the following steps to help protect the health of you and your loved ones:

Sanitize all common surfaces before and after each public viewing and funeral service

Offer families the opportunity to choose how they wish to embrace guests and remind all guests to respect these personal space preferences

Consistently monitor and implement recommendations from the Center for Disease Control and other experts
